It was on Guy's farm where our Country Working Fair ploughing competitions took place and in Guy's barn that many of the Club's Social Barn Dances were held. In the earlier days of the Loddon Valley Lions' Treacle Fair it would be Guy on his tractor leading the parade through the village to the delight of the residents.
Guy was a very popular member of the club (especially with the ladies). Respected and loved by all he will be greatly missed for his dry sense of humour, camaraderie and his willingness to help all around.
He was a true Lion to the end.

LOVELL: Lion Peter
Witney Lions Club

It is with great sadness we have to report the passing of Lion Peter at the age of 73 after a 6 year brave fight against cancer. He had been a Lion for 34 years, and during that time he had been President twice, Chair of Fundraising, and for the majority of the other times was either a very active Fundraising member or our Members Social "committee". When his hearing began to deteriorate he asked, in 2012 for the Privileged Lion status as he felt he could not continue contribute as much as he would like. Nothing was further from the truth! He continued to attend meetings regularly – until his deteriorating health meant he could not. He continued to be involved with our Annual Carnival – organising the rotas for our pig roast – was a very successful raffle organiser, and particularly good at suggesting new ways of raising the club's profile and organising/designing leaflets and "pop up" banner contents. He will be best remembered as the the Lion who set up and ran our Annual "Dream Scheme" (this is now in its 4th year) whereby local groups/clubs/organisations could apply for funding to complete small projects which would help them or allow them to help the local community. £3000 pa is allocated each year and Peter and his wife Sue would assess each application, and we would normally be able to help between 9 and 12 such groups each year. Peter was a modest, caring person, always enthusiastic and hard working and always thinking of others, and of ways of trying to help them, and he did not take himself too seriously. He was like this, both in his private life and as a Lion. Witney Lions, and the local community, will be the poorer without his presence. At this sad time, our thoughts and prayers go out to his wife Sue – who was his mirror image and supporter throughout his life.

SMITH: Lion Harry

Keynsham & District Lions Club

Past District Governor Lion Harry Smith MJF born 1939, joined Keynsham Lions Club in March 1999 in order to continue his work in the community upon retirement from local government.

He quickly became Club President in 2002 and was to take that role on a further four occasions through his Lion career. As Zone Chairman in 2009 he embarked on the long route to become 105W District Governor in July 2012, a year when he and Ruth put themselves forward on every possible occasion to better the name of the organisation within MD105 and beyond.

Harry continued to enjoy his lionism holding Keynsham & District Club Director posts and was District Sight Officer until he was appointed a three year term as 105W LCIF Officer. He was always up for taking on new challenges and be first to put his name down for Christmas collections, Car Boots or collecting in the High Street for disaster relief and no Quiz Night was complete without Harry asking the questions and Ruth helping with the buffet.

Clouds gathered earlier this year when Harry was diagnosed with an aggressive cancer but he still helped at Saltford Festival on Sunday 16 June. Harry died Friday afternoon 28th June 2019 at home with Ruth, son Matthew and daughter Lucy by his bedside.

Our deepest sympathy to Ruth and the whole family while we celebrate Harry's life and the true friendship he brought to the Club and to the District.
